Krystal Prather and Jewel break Rifle arena record

RIFLE, CO -- Outside temperatures were scorching as NBHA CO-10 geared up for the Summer Sizzler in Rifle, CO. Hot temperatures seemed to have barrel racers coming out of the woodwork with the hopes of blazing competition.

Non members took center stage with CSU student Krystal Prather at the forefront, capturing the Open 1D win and breaking the arena record previously held by Utah teen sensation AnnDee Adams.

Prather, hot on the professional rodeo trail made Rifle a pit stop on July 15 and rode into town only long enough to make her record setting run and take home the \$178 prize money. Not a bad return on her \$30 entry fee.

Setting an incredibly fast 14.786 Prather became one of only three people to run a sub-15 second time in the indoor barn at Rifle. One of the other barrel racers, Sammi Bessert, Loma, CO was hot on Prather's heels with her second sub 15 second run to grab the 2nd place check in the Open 1D.

With the very fast pace set other runners had their work cut out for them. Rifle's own, C.J. Vondette won the second biggest check of the night for the Open 2D win. Vondette also finished at the top of the Youth leaderboard to take the Youth 1D win and set her firmly in the lead for both the Open 1D and Youth 1D year end saddles.

Rhona Christensen, Olathe, CO left all three barrels standing to take the Open 3D win and prize money.

Parachute's Town Clerk, Juanita Satterfield, Parachute, CO took the very fast Open 4D win. Satterfield also captured the Senior 3D win and five first place points.

In other Youth divisions Devon Conn set herself firmly in the lead for the Youth 3D saddle. Conn, the Youth 3D champion in 2004 continued to be one second off the pace and fast enough to win the third division.

Kendra Parker, Eagle, CO made an impressive showing with her personal best time in the Rifle arena to win the Youth 4D. Parker seems to be intent on winning the Youth 4D saddle but has tough competition with other youth members Taylor Gore, Rifle, CO and Shadow Tatum, Nucla, CO also determined and in the hunt for the saddle.

Senior competition was rattled with Senior 1D leader Becky Carson, Loma, CO tipping a barrel. The upset opened the door for Mary Satterfield, Parachute, CO and she took full advantage taking home the Senior 1D win, paycheck and five first place points. Carson dominates the point standings having won every previous competition handily.

C.J. Vondette and "Grizz" had the advantage of membership which gained them 5 points in the Open 1D, despite being the 4th fastest runners.

Becky Postma made the trip from Roosevelt, UT worthwhile taking home the Senior 2D win. Postma recently overcame some hardship with horse health issues but seems on the road to the winners circle once again.
