## Fall Spectacular tightens up year end point standings

RIFLE, CO -- The weekend of the Rifle, CO Centennial Celebration would have seemed a fine time for the local cowgirls to shine. However, one Utah teenager had other plans for the Fall Spectacular Barrel Race and the prize money up for grabs. AnnDee Adams, 14, Castle Dale, UT is no stranger to the Garfield County Fairgrounds Indoor Arena. Adams held the barrel racing arena record until July of this year when the record was broken by DeBeque's Krystal Prather. Adams came close to taking the record back but settled instead for taking home prize money in both days. Open 1D and Youth 1D in the National Barrel Horse Association's Colorado District 10 race and the Racing in the Rockies American West 4D sanctioned Open 1D and Youth 1D. The high money winner of the weekend, Adams left no stone unturned nor any paychecks uncollected also reaping the reward of the Open 1D win in the Colorado West Barrel Racing Association. All told Adams collected 9 first place checks for her less than 30 seconds worth of work.

While Adams collected paychecks District 10 members won money and points toward year end awards. On Saturday Belinda Brownell, Steamboat Springs finished second to Adams and captured the five Open 1D points. Sunday's top spot for points went to another Steamboat Springs cowgirl, Kaylee Matt.

While both the Open and Youth races were dominated by Adams but other members were battling it out for 1D points in the absence of the current Open 1D and Youth 1D points leader, hometown cowgirl C.J. Vondette. Vondette was competing in the High School rodeo in Gunnison and left the Youth points battle to Miranda Strain of Rangely and Logan Davis of Mesa. Strain and Davis each won nine points toward the Youth 1D year end. Vondette narrowly leads for the Youth and Open 1D saddles with one weekend left in points year competition.

Senior race leader Becky Carson, Loma continued to rise above the competition taking both days. Senior 1D wins and widening her lead on the other over 50 runners.
